Want Drama?

GOT DRAMA!

Join the THS Theatre Booster Club (TTBC)

The Tuscarora Theatre Booster Club (TTBC) is an active, non-profit organization committed to providing volunteer and financial support to enrich the experience of all students (cast and crew) participating in the THS Theatre program.

WHO WE ARE

We are a volunteer-based membership organization of parents/guardians of cast and crew for **all** theatre programs (not just mainstage shows) as well as community members who support THS theatre.

WHY JOIN US

Stay informed and help support all theatre students and the THS arts program. There are several other benefits like continuing to receive this monthly newsletter and early access to ticket sales for Gold Members.

WHAT DO I HAVE TO DO

No commitment is required for TTBC members, just do as much as you can. Volunteer during performances, donate goods/services, sell ads/sponsorships, serve on the board and more. When you volunteer for the Booster Club during shows, it counts as cast/crew parent volunteer requirements.

WHAT HAPPENS TO TTBC FUNDS

The TTBC Board together with the THS staff identifies fundraising goals and projects that go directly to help theatre students and the program.
